Login And Signup:

A mobile-style sign-up form set against a yellow background with a repeating "GiGe" pattern. The form is contained within a white rounded rectangle with a black border. At the top left is a black circular back arrow icon. To its right, the word "Signup" is centered in a large, bold, black font. Below this, there are four input fields with labels: "name", "email", "username", and "password", each accompanied by a light yellow rectangular input box. At the bottom center is a red rounded rectangular button labeled "signup".

A mobile-style log-in form set against a yellow background with a repeating "GiGe" pattern. The form is contained within a white rounded rectangle with a black border. At the top left is a black circular back arrow icon. To its right, the word "Login" is centered in a large, bold, black font. Below this, there are two input fields with labels: "username" and "password", each accompanied by a light yellow rectangular input box. At the bottom center is a red rounded rectangular button labeled "login".

On successful Login/Sign Up, the user is taken to the GET Dashboard:

Here the user can use:

1. Search bar to look for a specific product
2. Other Navbar options whose actions are indicated in the GUI Sample.
3. Browse through categories already displayed, and click on see more to look specifically within that category.
4. Click on the product to see the detailed view of the product.

GET Dashboard:

The screenshot shows the GiGe GET Dashboard. At the top, there's a yellow header bar with the GiGe logo, a 'Categories' dropdown, a search bar containing 'Find goods and services in your campus', a magnifying glass icon, a 'Switch to Give' button, a 'Wallet' button, and a user profile icon. Below the header is a large banner image of a woman in a red coat and sunglasses, surrounded by shopping bags. A navigation bar with left and right arrows is at the bottom of the banner. Underneath the banner, there are two sections: 'Electronics' and 'Books'. The 'Electronics' section features four items: a woman with headphones, a person on a bicycle, another woman with headphones, and a person holding a Harry Potter book. Each item has a small profile picture, a description, and a five-star rating. The 'Books' section has a similar layout with four items, also featuring a 'See more' button. The overall design is clean and modern, with a focus on user interaction and visual appeal.

Specific Category View:

When the user clicks on a specific category in the GET dashboard, the following page is displayed, and the user can look within this category.

The screenshot shows the GiGe app's interface for the 'Electronics' category. At the top, there is a yellow header bar with the GiGe logo, a 'Categories' dropdown, a search bar containing 'Find goods and services in your campus', a magnifying glass icon, a 'Switch to Give' button, a 'Wallet' icon, a user profile icon, and a menu icon. Below the header, the word 'Electronics' is centered in a black header bar with a back arrow on the left and a 'Filter' button on the right. The main content area displays six items arranged in a 2x3 grid. Each item has a small profile picture of a user, a title, a description, and a star rating. The items are:

- Boat headphones**
I will give you my Boat headphones for 1 week
★★★★★
- Hero cycle**
I will give you my Hero cycle for 3 days

If the user clicks on the Switch to Give option in the navigation bar, then they are taken to the GIVE Dashboard: They must have had some activity in the GIVE mode for proper results, else it will be empty.

GIVE Dashboard:

The screenshot shows the GiGe GIVE Dashboard interface. At the top, there is a yellow header bar with the GiGe logo on the left and navigation icons for Orders, Switch to Give, Wallet, and a profile icon on the right. Below the header, the main content area is divided into several sections:

- To Do List:** A list of tasks with yellow checkmarks:
 - Give cycle to Rahul
 - Take Harry Potter book from Sandy
 - Pay SmritiA button labeled "Add new task" with a plus sign is at the bottom.
- Add new Give:** A form with four input fields: Title, Price, Description, and Image. A "ADD" button is located to the right of the fields.
- Active Gives:** A section showing three active give items with small profile pictures, descriptions, and star ratings.
 - I will give you Harry Potter Book for 1 month** (Rating: ★★★★☆)
 - I will give you my Boat headphones for 1 week** (Rating: ★★★★☆)
 - I will give you my Hero cycle for 3 days** (Rating: ★★★★☆)A "See more" button is located at the top right of this section.

They can view detailed results for their Active Gives in the next page:

Orders Switch to Give Wallet

Active Gives

Title	Total Earnings	Active for	
 Headphones	2000	30 days	<button>Edit</button>
 Zero 2 one book	1500	79 days	<button>Edit</button>
 Cycle	321	37 days	<button>Edit</button>

All pending orders can be accessed using the orders option in the navigation bar.

Pending Orders:

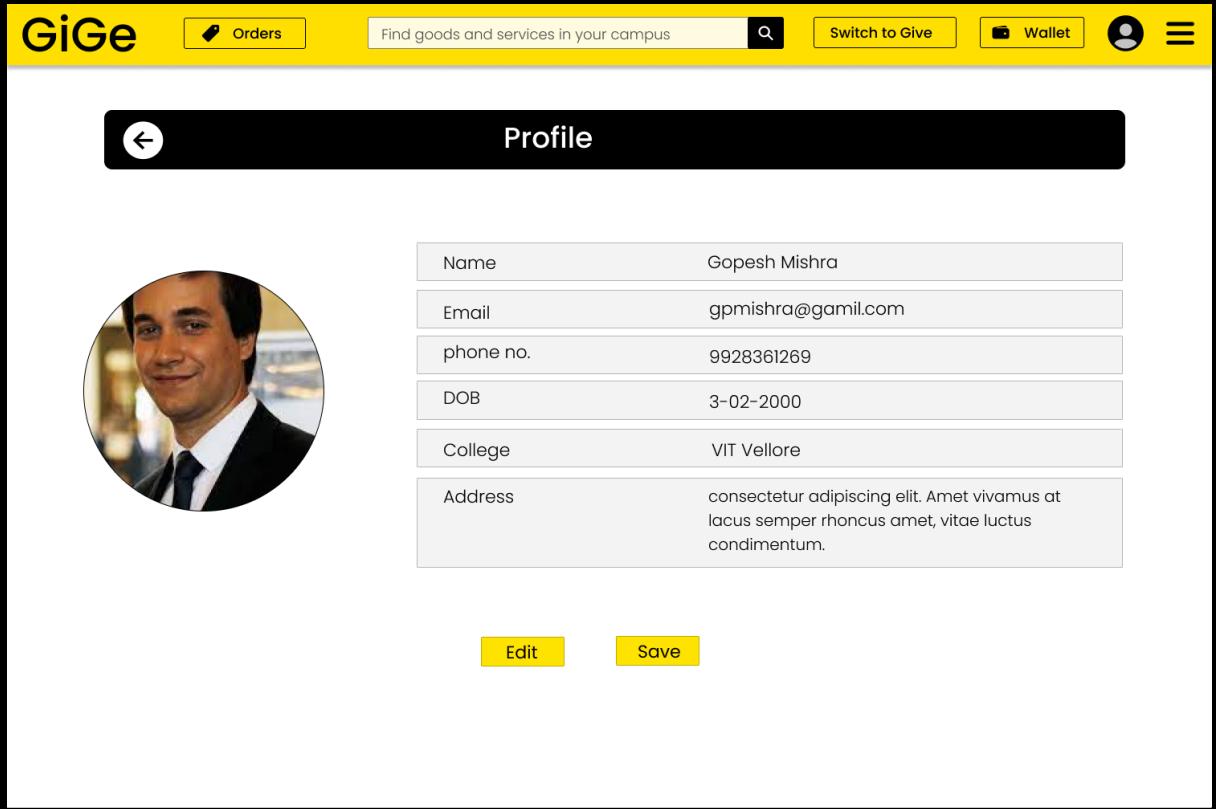

The image shows a screenshot of the GiGe app's 'Orders' section. At the top, there is a yellow header bar with the 'GiGe' logo on the left and three buttons on the right: 'Orders' (with a briefcase icon), 'Switch to Give' (with a gift icon), 'Wallet' (with a wallet icon), and a user profile icon. Below the header is a black navigation bar with a back arrow on the left and the word 'Orders' in the center. The main content area is a table with four columns: 'Title', 'Status', 'Remaining', and 'Total'. There are four rows of data, each representing an order:

Title	Status	Remaining	Total
Headphones	Active	5	15
Harry Potter book	Inactive	2	21
Zero 2 one book	Active	2	7
Cycle	Active	1	10

Each row contains a small thumbnail image of the item, and the last two columns have 'Confirm' and 'Edit' buttons.

The user can also view their profile and edit it:
